

## **Nominations are Now Being Accepted for the 2011 Bristol-Myers Squibb Edward E. Smissman Award**

The ACS Division of Medicinal Chemistry invites nominations for the 2011 Bristol-Myers Squibb Edward E. Smissman Award. This Award is open to a living scientist, in the U.S. or abroad, whose research, teaching, and/or service have had a substantial impact on the intellectual and theoretical development of the field of medicinal chemistry. Normally, the Award is intended for scientists relatively late in their active scientific careers whereupon a substantial body of creative work is available and sufficient time has passed to place their work in perspective. Nominations must include a letter of nomination, up to two seconding letters and a copy of the nominee's most recent curriculum vitae. All materials must be received by 5:00 pm on **Friday, September 24, 2010**. Nomination packets should be submitted electronically as a single file to:
