

## Fall Newsletter 2023

### In this Issue:

Hall of Fame Inductees

MEDI Division Predotoral Fellowship Winners

Scarborough Award for Graduate/Postgraduate Excellence Winners

Interview with Division Mmember Jeff Ares

Fall ACS National Meeting Programming

## Congratulations to the 2023 MEDI Hall of Fame Inductees

The MEDI division is thrilled to announce the 2023 class of inductees to the Hall of Fame. Congratulations to Dr. Amy Newman, Dr. Donna Huryn, and Dr. Joel Barrish!

For more information on the inductees please see the Hall of Fame section of the MEDI website. Please join us at the Fall ACS National Meeting in San Francisco for a reception in their honor. Tuesday 8/15/2023, 7-8.30 PM, Moscone Center, Room 213, South Building.

## **Congratulations to the winners of the MEDI Division Predoctoral Fellowship**

Caroline Millard (Northeastern University) Brian Anderson (University of North Carolina - Chapel Hill) Benjamin Deprez (Emory University) Dalia Soueid (University of Michigan)

## **Congratulations to the ACS Medicinal Chemistry Scarborough Award for Graduate/PostGraduate Excellence Awardees**

Dr. Matthew Boudreau (Dana-Farber Cancer Institute) Dr. Shizhong Dai (Stanford University)

## **Interview with the MEDI Member Jeff Ares**

Medicinal Chemistry Division member Jeff Ares was recently featured in ACS Industry Matters talking about building an effective team. To link to the site please click below.

## **Fall National Meeting Programming**

The Fall meeting in San Francisco is shaping up to discuss a rich vein of science. MEDI programming will include:

Drugging pre-RNA Splicing

Enabling Technologies for Next Generation of Antibody Drug Conjugates (ADC)

Integrating Artificial Intelligence and Computational Modelling to Accelerate Drug  
Discovery

Lessons Learned from Not-Progressed Drug Campaigns

Medicinal Chemist's Toolbox: Nonclassical Interactions in Drug Design

New Approaches in Immunology: Small Molecule Cytokine Modulators

Non-Traditional Pharmacophores in Drug Discovery

Recent Advances in Antimicrobials

Unnaturalizing Natural Amino acids for Therapeutic Discovery

Young Investigator Symposium

MEDI Awards

First Time Disclosures
